<ul style="list-style-type: none"><li>• Java</li><li>• Python</li><li>• C++/C#</li><li>• SQL</li></ul>	<ul style="list-style-type: none"><li>• Windows</li><li>• Linux</li><li>• AWS</li></ul>	<ul style="list-style-type: none"><li>• Algorithm Design and Analysis</li><li>• Computational Theory</li><li>• Computer Architecture</li><li>• Machine Learning</li><li>• Computer Vision</li></ul>	<ul style="list-style-type: none"><li>• Differential Equations</li><li>• Linear Algebra</li><li>• Agile Project Management</li><li>• Software Requirements and Specifications</li></ul>

## Experience

### California Department of Motor Vehicles

*IT Student Assistant*

**Sacramento, CA**

*November 2022 - Present*

Immediate line of support for DMV employees in need of technical support with hardware or software issues. Advanced resolution time of support tickets concerned with account logins and access. Accelerated response time of other issues by directing them to the correct departments.

### Sacramento Municipal Utility District

*STEM Student Assistant, Intern*

**Sacramento, CA**

*October 2021 - June 2022*

Taught the principles of OOP and Python as a programming language to a classroom of grade 8-12 students. Students used this knowledge to autonomously operate and compete with a small motorized vehicle equipped with cameras and LIDAR sensors.

### California Department of Justice

*Student Assistant*

**Rancho Cordova, CA**

*January 2020 - January 2022*

Assisted 4,000 medical professionals in initiating and managing their online health records accounts to ensure patient prescription accuracy and record confidentiality. Informed users and the general public when obligatory of existing and upcoming legislation regarding the maintenance of health records.

### City of Sacramento

*Intern*

**Sacramento, CA**

*June 2017 - August 2017*

Organized daily office duties and preparation of community events as direct assistant to council member Rick Jennings. Engaged in 10 weeks of civic leadership and 90 hours of community volunteering. Innovated a new idea to help promote a cleaner experience in public transportation spaces. Lead and facilitated group presentation to live audience of Sacramento City council members.

## Activities

### Cisco Emerging Talent Mentor Program

*Mentee*

**Virtual, US**

*June 2022 - Present*

Participated in a career building mentorship program with Cisco professionals.

### Sacramento Tree Foundation

*Volunteer*

**Sacramento, CA**

*February 2018 - May 2018*

Volunteer to plant ~50 trees in the northern Sacramento area.
